

Greetings Unit Leadership –

Rechartering season is upon us! To ensure that you receive your recharter information in a timely manner, we have chosen to provide you with a printed copy and an electronic copy. Units in the Shoquoquon District may pick up their charter packet at Roundtable on Thursday, October 12<sup>th</sup>. Units in Eagle Valley may pick up their packet from their Unit mailbox at the Quincy Service Center, or make arrangements with your Unit Commissioner.

This year brings a couple changes to rechartering that will hopefully make for an easy and simple process for our Units. Four of the major highlights are below:

- The rechartering system is live as of October 1<sup>st</sup>. You may begin to work on this right away.
- You may retrieve your necessary signatures (Unit Leader, Institutional Head/Executive Officer) electronically.
- You may make your recharter payment directly to the national office by credit or debit card online.
- All adult leaders must have Youth Protection in order to proceed further in the recharter process

All recharterers (full Unit Charter Renewal Report Package) are due at the November Roundtable on Thursday, November 9<sup>th</sup>. Information will be forthcoming on locations and details for the evening. Please remember, in order for your Unit to qualify for assistance for BSA registration, your recharter must be submitted by the November Roundtable. If your unit has any issues, you may contact your District Commissioner, District Executive, or Unit Commissioner.

Please feel free to reach out to me directly at [david.lane@scouting.org](mailto:david.lane@scouting.org) with questions as well.
