

# Expo

The Mississippi Valley Council is conducting a 2017 Exploring Explosion Expo for registered and potential Explorers. This event will feature activities from a variety of Exploring Career clusters as well as fun activities in which youth can participate. **We are opening this up to Troops in addition to Explorers. Youth MUST be 14 years of age or older!**

Ever wondered...

- What it would be like to don firefighting gear and conduct a search for a missing person?
- How tractors increase farm production by steering themselves?
- How Law Enforcement prepare for when they might have to use force?
- What the inside of a Life Flight Helicopter looks like?
- What the settlers of days past had to do simply to make a living?
- Just how to make your own t-shirt?

These types of experiences and more await you at this one day Exploring Super-activity. Join other Explorers from around the Midwest for hands-on activities involving Fire Service, Law Enforcement, EMS, the Military, Aviation, and Ag Science. Activities will be staffed by experts in the field.
